Comments

“ He had a heart of gold, a contagious laugh and willingness to help those in any way. The biggest gift he gave me was putting a smile on my mothers face for 18+ years (and also patching up a HUGE hole I put in my wall trying to rearrange furniture....LOL)

Goodbyes are not forever, goodbyes are not the end, they simply mean I'll miss you until we meet again.

Rest easy "D"

“ My heartfelt condolences pour out to the Steel family during this difficult time. Darrin embraced my sisters and brother along with myself with open arms and treated us just as if he was our biological father. We were all saddened and heartbroken to hear of his passing. He was always helpful and kept us laughing. He will truly be missed.

“ Darrin (Brooklyn), was not only a great friend to me & Greg, he was also the one I would call to help fix things around my home. He was our handi man, there isn't any area of my home inside or out that doesn't have Darrins hands on there. From painting the inside to a week before he fell sick, helping Greg, in putting out the Christmas decorations outside the house. That is the last thing he did at the house. Darrin, will always be near & dear to us. He was a good person, & a great friend.
