“ Only a miserable person, could take away the like of one so joyful and entertainingly sociable. He was a good friend and someone who was a first to me at everything. I can't believe he is gone. It wasn't a mistake in god's plane because he showed us how good things could just up and leave one day. The guy had a lot of friends and helped a lot of girls love. I would never wish death upon him or everyone for that matter. AB in the beginning after our relationship got crazy ignored you in the end you gone and I regret even aguring. I love you AB. You gone but, never in my heart. And if I died today I know I'll be with you.
