“ *Rest in peace Akeba. You were a true and honest friend. This world lost a person of love and light that cannot be replaced.*

“ *Akeba has always been a breathe of fresh air & joy to our nuclear family. She will be held in that same stead for the rest of my life. Although she is now in the living arms of God, released from the trials and tribulations of her earthly life, she will be forever be held with the greatest love & affection one could have for his daughter. Rest In Heaven, sweet Akeba.*
