I loved my Brother, “Chico” very much. He was one of the most handsomest man I have ever seen Bryan, Kotchie and myself loved , respected, abd looked up to him because he was our oldest brother. He certainly could get your attention when he walked in a room with those bowed legs of his. He was a private person for sure; mom knew to make an appointment before visiting him. I will miss seeing, hearing his voice it just knowing he is here. I am certainly waiting for the day to be reunited with him hear on Earth in Paridise. “COME LORD JESUS COME”
