“ *To Mrs. Bell's baby boy Albert and Family*

*I know you didn't want to let her go but this is only her earthly home. You're apart of her legacy. Ms. Bell hasn't left you she'll always be with you. Remember when you was her little angel and she is yours. She couldn't stay another day her wings were ready. I know you can hear her voice "I love you mommy. I love you Al." Mrs. Bell, loves for you will always be unconditionally.*
