“ *I find it hard to believe that you're no more.. I lack words to express my feelings, my heart is heavy, my spirit is discouraged. Your passage came as a blow which i least expected at this time. Each passing day, i pray to God for the grace to overcome this trying moments. I dont wish to say Farewell because i know you're alive in Christ Jesus. I take solace in the fact that you are at peace with your God before you breathe your last. I am convinced that all is well with you where you are. Sleep on, my amiable, handsome, humble and peaceful uncle. It is well with you.*
