“ To the family of Andre Gilchrist,
I knew Andre all of his life. We were especially close when he was very young. I was the family babysitter for him and his older brother. Andre always knew what to do when I came to sit for them. He would sit still on the sofa and try to be quiet---just for a moment. He was waiting to make my day. And he did! But I loved his unique way of just being himself.

In closing, sadly, I was among family and friends at Andre's funeral service on Monday, July 22, 2024. That was when I learned of the many achievements and contributions he made during his lifetime and how he overcame life's travails to help others. May you all know that I will always keep memories of Andre in my heart.

Please accept my sincere condolences.
