“ *Andrew Lee Warren Maith*

September 22, 2022 at 02:41 PM

“ *I provided Andrew Physical Therapy services at his home from 2007-2012. He was always so cheerful and fought so hard against MS. Andrew was always willing to do whatever exercises or activities I asked him to do during therapy sessions and wanted to be independent. I will always remember him and his determination to beat MS. May he rest in peace with the Lord.*
