“ My name is Tonya Grant, and I lived across the street from the Jarvis's for many years. Ms. Jarvis knew me before I came to know myself. She was a pillar in the Wilbur Section Community. She will surely be missed by many.

“ I will never forget the kindness Ms. Anna showed me when I was younger. I had stolen a pair of pants from Strawbridge & Clothier. In my stupidity, I left my identification in the pocket of the pants I left in the store. The police called me to come get my ID and they arrested me. My parents had gone to Atlanta for a family reunion. Ms. Anna put up the money to get me out of jail. She never judged me for that. I will always cherish her love and kindness.

Ms. Jarvis was one of my Mothers friends. She use too come by the house and tutor my oldest son, had Nicole and Depree hanging together. She would talk to me as if I were one of her children. Ms. Jarvis spoke so kindly about how she always admired me. Those words meant the world to me. She was just a beautiful person who will be greatly missed.
