“ *What can I say about this sweetheart...I loved her so much. I had the pleasure of being her hairstylist and every time she graced my salon, she brought in such wisdom and joy. We all loved when she came for her regular appointments and she knew that all she had to do was have one of her daughters contact me and I would gladly accept her whenever it was good timing for her, so we accommodated her at her leisure! She always supported my business, no matter what it was, even wearing my t-shirt to help me gain more clients. to which some were her own family members! LOL*

I am really going to miss hearing her voice asking about my kids and my grandchildren, especially DJ! I will also miss hearing her singing her hymns while sitting in her favorite chair after getting her hair cut...she was in her glory then. Heaven has gained a true angel and I'm sure that God has welcomed her home...She will be missed by many but I'll miss her dearly. Sleep in your Father's Arms, Mrs. Annie....I love you and I miss you

“ *My deepest condolences to the rest of the family. Aunt Annie was a
sweetheart. I always remember visiting her and great grandma's
apt., when they used to live in the same building. She would always
have the good soul food cooking on the stove. I also remember my
Grandmother (Velma), calling her sister everyday. I will never forget
the look on her face at her surprise 90th bday party. She was so
happy and excited!!! Aunt Annie may God welcome you with open
arms and say well done my child and faithful servant. You will be
missed dearly.*
