“ This man helped lead me to The Lord along with Pastor Gent of Garden State Baptist Church. On January 1st, Pastor Gent gave the alter call when I was 18 years old in 2006. That was when I decided to accept The Lord Jesus Christ into my heart and life. Brother Gus then showed me how to receive Christ in the Bible study room and we prayed, I will never forget that spectacular heavenly moment The Lord entered my heart. When I finished praying, all I felt was complete and utter joy. All I remember partially seeing besides The Light of God was that big teddy bear of a man who had equal joy of witnessing that precious moment of my Salvation with his arms wide open and hugging me out of sure joy. Gus will always have one of the most special places in my heart. It is only sad that life and all of its busyness came in between being able to see each other in the last few years. Before hearing this, It was on my heart to visit Gus recently and then I happened to find out the news of him going to be with The Lord. It sure is bitter/ sweet because I know my brother in Christ is at peace and with Jesus, which he always anticipated every single day of his Christian life. I am sad because I wasn't able to see him as of recent. Of course we will for certain meet again for all eternity in The Kingdom of God and that is what comforts me for the most part. My prayers are out to his family and God to comfort them during this time of grief and separation. The world has lost one of Gods truly special ones. I am only honored to have had the please to spend the years with him that I did. Truly a once in a lifetime mentor. Brother Gus will not be forgotten. He is with his Lord now in eternity. We shall meet again on that beautiful shore dear brother. I love you my friend.
