“ *To Beverly's Family:*

While I do not know any of you personally, I met Beverly during her many visits to Benton Harbor, MI and Second Baptist Church. She often spoke of her beloved family members as we went out to lunch and attended other local events together. Beverly's warm smile and sweet personality caused her to be lovingly adopted by our church family. We were also impressed by the care and concern that she showed for her uncle, Deacon Robert Jenkins. We feel her loss deeply and share in your sorrow. Please know that we are lifting you in prayer and asking God to give you His peace and strength. Blessings to all of you.

*Thank you for the kind words about my mom. Our family has suffered another loss, now that Uncle Robert has joined her in heaven as well. Thank you for your prayers, as the family continues to pray for comfort.
