“ To Diane and the entire Virgil Family,

Uncle Bobby Ray was more than my father Bryan's best friend. He was our Uncle, that's how we were raised. But he was also Godfather to myself and my brothers. I have so many memories and so many tears. Our entire Family sends our condolences. I will forever remember that laugh, that smile, and those dance moves!!! He gave the best hugs ever. I will always love and miss him.

*With our Deepest Sympathy,
The Hinton Family (Linda, Jake, Dru & Dany)*

“ *The Virgil Family,*

We are truly sorry for the loss of Bobby. He was the Mayor of the Senior Building here in New Brunswick. He was good to everyone and had a heart of gold. It was because of him, that food was delivered to the Building for the Seniors so they can have food, vegetables and fruits. He was committed to making sure everyone was good, especially during this difficult time of the pandemic. He was loved, respected and will be greatly missed. May God comfort you during this difficult time, cherish the memories and know he will never be forgotten. He is one of a lifetime... May he Rest In Peace...

RH

Bobby was my bestfriend, and I miss him greatly. I will not only miss our long conversations filled with laughter, but I will sure miss our intense fights when it came to the Bible. One thing I am most remorseful for is that he will not get to enjoy the gift of his new granddaughter. Bobby went on for hours about how he was eager to take her to the park and after they would eat ice cream. He is in the company of God, and we know that he is in a better place. Even so, it will not make me miss him any less.

My Condolences to the Virgil Family, May you find piece and comfort in God!

His neighbor and friend,

Robbie Hunter

I am just finding out about Bobby's passing. I remember him when I was a small child at my grandfather's church in New Brunswick. The Virgils were family. I loved his father Elder Virgil so much because of his kind demeanor. Bobby just like Elder Virgil was always so sweet to me. Praying for the family. This is so sad and he will be missed.
