“ *To the children ((Daryl, William, Cyrus, and Jas)  
Having lost a mother about three years ago , I know the pain one feels when they leave you. It is the one thing none of us can be prepared for . It's a feeling I can't not explain. Be encouraged knowing the memories will sustain you. The tears will flow but by the grace of God you will get through this today and the days ahead. Know that family is only a phone call away. Stay close to each other as you should and as your mother would want you to.*

*Respectfully  
Ann Cooper Gill*

“ I’ve known Bridget since 1st grade, remember when she came to my mom’s home during school lunches eating her hamburger sandwiches, all thru high school & singing together in B-naturals (also sang with Sid) & our graduation & your famous grad party with your mom! Bridget was so vibrant, a light to everyone who knew her & truly wonderful to be around, she will be missed terribly. Til we meet again my friend - Rest In Peace - my deepest sympathies to Sid, Her children & siblings. Liz (Baszak) Hagan
