“ Earth has no sorrow that heaven cannot heal. We send our heartfelt condolences, prayers and love to the family. While we never met Rev. Wade, he impacted our lives through his daughter Colbie. We would often share stories of our dads and offer each other encouragement. May God strengthen you on every hand in the days to come. Try not to focus on his passing and more on his living, your memories. Take comfort in knowing that he was loved and that he loved you all. Continued prayers and blessings.

“ My prayers are with all of you during this difficult time. Where do I start, I meant you 44 years ago and you were always a gentleman and a scholar. I have treasured the brotherhood over the years. You will never know the multitude of lives you touched, but a part of you will remain in the thoughts and hearts of that multitude throughout their life time.

Pastor Wade was a blessing to Mt. Pisgah Lawnside. He was like a candle in the dark. He truly had a gift of communicating with adults as well as children. He was a great Preacher and Pastor. His humor made his sermons enjoyable and rememberable. He loved his church family and they loved him. He drove all the way to South Carolina to eulogize my sister. For that I am very grateful. He will be missed but we know he is in a better place. To the family may the memories that mean the most to you live forever in your heart.
