“ *Dear Carmen, and Family: It was truly a very sad day for the postal family of Trenton PD&C when the news arrived of your passing. As your union advocate it was my extreme pleasure to represent you when needed; In the past year I have gotten to know you even more. I observed your hard working skills along with your devotion to the postal customer you will be extremely missed and your imprint at the Mercerville station will be there forever. Your fight was very clear of your strength and you will be missed rest my Sister. From the Bouchards*
