“ *My condolences to the Freer family.  
I was Charles' computer tech at DYFS for a few years, a lot of times when I would see him he would always ask me when I was going to get him a flat screen PC monitor (but at that time flat screens were available for the higher state titles only). So one day after he asked me again and went to a meeting, I put a Post-It on his monitor that said "I am really a flat screen!". When he went back to his office and saw the message...we both laughed and laughed.*

*A wonderful person to work with.  
Charles RIP.*

“ Dear Cheryl and Family:  
I am very sorry for your loss. Charles was a dear friend and co-worker. I am thankful for his friendship and support, especially when I fell and had to undergo major surgery on my right leg. Upon returning to work, I could not drive for awhile and Charles picked me up and brought me home for approximately one month. He would not let me pay for gas either. He also was supportive in the job and decisions we had to make ensuring the welfare of the children. I will truly miss him. May God offer you comfort in this time of your grief.
