“ *Cliff was not my father by blood but you would never know the difference. He always treated me and my sister like his blood ran through our veins. Cliff was fun and funny (he always made us laugh and showed us love) and there was a lot of us to be loved. His children became my brothers and sisters. Thank you Clifford Hill for showing me what a real man and father looked like.*

“Cliff blessed so many with his kindness and fairness as he solved all our numerous mechanical issues. He was a fellow Eagles fan and I loved talking the games with him. His memory will live on in my heart.
