“ My condolences to the family of Constance (Connie) Foster.

I met Connie in our freshman year (1974) at Trenton State College. We became friends and sorority sisters the following year. Connie was always very open and friendly. Whether it was a campus organization of choice, sorority event, etc., she was willing to lend a helping hand. She cared about her friends.

After living out of state for several years, my husband and I began to return to TSC for the annual homecoming weekend to see our classmates. We reconnected with Connie and continued to get together every year at homecoming. We sincerely appreciated her friendship. Rest in peace Connie. You will be remembered and forever missed.

“ *I first met Connie when we were at TSC in 1975. She was pledging Alpha Kappa Alpha and I was pledging Alpha Phi Alpha. We quickly became friends. My girlfriend and now my wife were also on that pledge line, so we continue to stay in touch. We moved out of state, but when we came to NJ she was the first one we contacted, to let her know we were in to town. One day she surprised us by setting up a chat and chew at her house and invited many of our school friends. I will always remember that day. It really shows how much she cared for her friends. We will really miss our time together. Rest in Peace Connie, and may God continue to bless your family.*

“ Connie has been a friend of mine since high school. We attended Trenton State College renamed The College of NJ. There we became Alpha Kappa Alpha Women. We purchased our first homes near each other in Willingboro and had daughters in the same year. She gave me the honor of being her son's Godmother. She will be missed but never forgotten. There was nothing she wouldn't do for a friend. Rest well my Sister until we meet again.
