“ *With love to a sister, more than a cousin, Harriet purchased the Sentiments of Serenity Spray for the family of Constance A Singleton.*

**With love to a sister, more than a cousin, Harriet** - August 01, 2020 at 01:02 PM

“ *I loved my cousin Connie dearly. Soft spoken, gentle and kind. I enjoyed every time we were together.....from growing up as children, living on the same street to years later as adults. You were always the same kind person I'd always known. Your love of a good laugh or just catching up, was always a joy.  
Rest in the Lord's arms.  
With love,  
Your cousin Lynda*
