I can remember when Yvette was 7 years old. Does anyone know what she died from?

“ I definitely would like to send my condolences to the Reaves family.

To Ms. Yvette,

You were truly a blessing to me and my father. You touched my father's heart just like you had touched mine. It saddens me to see that you had to go so soon. I was looking forward to meeting you this Thanksgiving, but I know God had better plans for you and he just gained an angel. Thank you for making my dad a better person you will truly be missed this ain't goodbye I'll just say I'll see you later. Love always and forever. -your son in law Randy
