“ I first met Dale Harris when we worked together in preparation for the Grand Opening of his first Ford dealership Bound Brook Ford, Bound Brook, NJ where Dale would be the President & General Manager. I my lifetime I have only met a hadful of truly devote Christian men. Dale was one of them. Dale would always greet you with a big smile on his dace and a warm sunny disposition. He quickly developed a close solid positive relationship with his customers & employees alike and everyone loved doing business with and working for him. His efforts quickly enamored him to the Bound Brook community. His heart was made of gold.

Over the years I got to know Dale and his lovely wife Rita and over the years my wife and I developed a personal as well as a business relationship with the Harris'. Every time we would have dinner with this classy couple am extremely warm fun filled evening was enjoyed by all. I recall one such glorious evening in Las Vegas where we were all there for a Ford business meeting and attended dinner & the Patti Le Belle concert together.

Dale & I spoke by phone three times since last December and were looking forward to visiting and having dinner when his medical condition improved and I recovered from a recent surgery.

Unfortunately this was not to be.

Praise the Lord for taking Dale home when he did to avoid any further suffering and pain.

Go to the Lord, my brother Dale knowing that we will look after your beloved Tita in the years ahead. Love, John Lynch, Ford Northeast DD Regional Manager (Ret.) and his wife Linda.
