“ *To Michelle and all of the Smith Family,*

My Sincere condolences for your loss. Michelle talks about you guys all the time and I wish I could have met "Dad" before he passed. In the coming days, grieve how you want to, for as long as you need to, and just know that God will help heal your hearts. I know it may be hard right now, but the pain will subside in due time and the days will become easier. Many blessings to you and your family and I pray for your strength, comfort and healing....in Jesus name, it is already done!

Warm regards,

Tammi Griffin-Collier

“ To My one & only Daddy,

I still cannot believe this is happening but here I am broken hearted 💔 but I'm here, EXACTLY where you would be - facing it, being strong, and just here and there. I will miss you alllllllll the days of my life (TREMENDOUSLY) AND I will also live for you too, I'm going to make you proud, just like you made me! I'll never have another, you're my hero, my main man, and still mean everything to me. I know you're in a better place, I know Michelle is right, and with that I'm going to run it up for you daddy- just like you did for alllllll of us. Together forever in spirit and in truth! I'll be back daddy- I'm not done here- and I don't feel like you were either but I won't question God on how things play play out so while I'm here I'm going to give it all I got just like you did. NEVER BYE ALWAYS SEE YOU LATER ~YOUR SWEETIE,

Monique SMITH

PS: Thankful for all my family and friends 💔
