“ Me and Deborah became very good friends after she moved into my building a few years ago. We would sit outside on the bench and have long talks. My heart is heavy and I miss her dearly. Our building is not the same without her.

“ Deborah would call me every day she would say Gloria what you doing. She would not miss a day our day starts out about 8:00 am Monday through Saturday. She would say I’AM bored. You coming over; and I tell her I’AM doing a yard sale , and she say I’AM gonna take a bus out there and keep you guys company. I used to pick her up and treat her for lunch sometimes. One time we were eating at kfc and her teeth fell out. Oh my gosh she was laughing so hard. I will miss the time that we spent together. Love you Deborah. Rest In Peace

“ I REMEMBER SEEING DEBORAH MANY TIMES ON GEORGE STREET AND OTHER PARTS OF NEW BRUNSWICK AS WELL. EVERY TIME WE SAW EACH OTHER we would often stop and conversation for a little while. She told me one time that she considered me as a grandson and after that when we saw each other she would say Hello grandson and I would respond with Hello grandma. WE would chat about my health as well how she was doing as well and would go on to finish each conversation with I'm praying for you and I would respond with I'm always praying for you as well.

My deepest sympathy and sincere condolences go out to the entire family and friends and all of those who's lives she has touched in many ways

REST IN ETERNAL PEACE DEBORAH

“ SAY HER NAME!!!! I didn't know her. But she didn't deserve what happened to her. She deserved so much better. I pray for accountability and answers for the the family. I'll fight for her no matter what.
