“ *Impossible to share a memory ~ way too many memories of times spent with Dennis, but will post one. Soon after I first met Dennis way back when, he told me I would like California. We lived in New Jersey at that time. He was right; he left the state many moons ago, but I am still here. Will be missing my friend for a long time to come.*

“ *Dennis was such a thoughtful person and so much comfort to me when I recently lost my husband. He always had a hug and kind words whenever I saw him. I can still hear his laughter and see his smile, hope I always will. Rest in peace Dennis, I'll miss you.*
