“ Dear Family,

Since reading of Derek's passing, we (the Crawley Girls) have been talking about growing up with him in the old neighborhood and having our special trips to the beach with him and his Mom. It's hard to believe the two of them are gone. Such special memories we will have of him...

Our love and condolences to all of YOU!

“ in the short time I knew and worked with Derek, phrases I will always remember that Derek would say to me... 'How's the coffee today?' or 'gotta pay the water bill'... I will definitely miss him. Rest in Peace Derek, I'll make sure the coffee is ready!

“ Sorry to hear of Derek's passing, Derek was always respectful and quiet when at my house back in a day, 71 Jersey Ave but he sure loved to eat, Rest D and have peace. Our prayers are for Derek's family from Mrs. Clark and Bobby Sue, Pam, Sharon, & Bobby Morgan. 🙏🙏

Derek was a dedicated member of the New Brunswick High School "Model Students Program" and he proudly served with dignity. His commitment and contributions towards the success were plentiful: especially as a role model for elementary students. Derek's leadership role with the incoming male students provided them with a directory and the stamina to excel and be successful. His footprints were visible and clearly seen for others to follow. May he rest in loving peace.
