“ Aunt Delores was one of the nicest ladies I ever met and she was pretty too. I remember me and Reggie driving over to her home to visit the family. We never had to announce we were coming. We just showed up. She never minded. In fact she always expressed how happy she was to see us. One of those times I remember that Uncle Robert had just installed a swimming pool in his back yard. Aunt Delores said for me to accompany her to the grocery store. That was a normal routine whenever I just showed up like that. There should would get all the pickings to grill along side the pool. She always made us feel at home. Always soft spoken was she. And if you happen to show up on a Sunday, she always had something special cooking including her delicious cakes or pies. I will forever be grateful for having such a sweet and kind woman in my life and I will continue to practice what she taught me whenever company shows up at your home, even if they don't call first. Heaven just inherited an Angel when they received my dearest Aunt Delores. Such a special special person. One of a kind. Thank you Auntie Love Candace Mobley

“ God, once again you are in the presence of another Angel, Mrs. Delores Mallory. Her heart, soul, spirit and beauty both internal and out was strong enough to warn anyone's heart and her smile could brighten anyone's day. I've been honored and privileged to partake in her life and will forever carry that warmth for the rest of mine. I love you Mrs. Mallory. Thank you for helping me create our Briana.

“ *My aunt, my Godmother a kind and gracious women who was a blessing in the life of all who knew her. One of many memories is how she always loved to feed everyone, which was fine because she was a great cook. I remember visiting with her after she wasn't well and instead of being concerned about her own discomfort she felt bad about not being able to fix me a meal. She loved to do for others and loved and cared for all of her nieces and nephews so much. She was predeceased by all of her siblings and tried to fill in for our parents whenever she could. I love you dearly Aunt Dolores but I know that Jesus loves you more. I want to thank God for letting you dance around the altar with brand new feet.*
