“ *We do thank God for the legacy Ms. Doris Wimbs has left for her family and associates. I had the privilege and honor of meeting her in the last five years of my life. Unfortunately during the time when I first met her she was experiencing some physical challenges. However I notice even when she was in the hospital she had such an infectious smile and a positive outlook. So much can be learned from watching a person with so many challenges handling it as well as she did. The Lord allowed her to be a wife, mother, grandmother and greatgrandmother for that I said, "To God be the glory". To Sharon I pray for your strength and peace in the Lord, your mom fought a good fight and now her spirit is in the presence of the Lord. My heartfelt condolences extends not only to my beloved Sister N the Lord Sharon but to the entire family. Please know that our loved ones who pass knowing Christ Jesus as their personal savior they pass from this life to spend eternity with the Lord. God continue to bless each of us as we carry in our hearts the memories of Sister Doris.*

*Mom, the day God took you home, broke my heart; the pain I felt at loosing you will never go away; but I know our God knew best! He's too wise of a God to make a mistake. You're forever in my heart, your memory is always with me; it keeps me strong! We had some good days & we had some bad days, which equals our love as mother & daughter. My heart is full of love for you & I know how much you love me, this brings me comfort each day! So "MA" you be good to God in heaven, he always took care of you and he will continue! I love you mommy and I will always miss you.
Love, your devoted daughter Sharon*
