Our Clark and Walker Families send our heartfelt condolences to Mr. Anderson, Valerie, and to the entire Glover Family in the recent homegoing of their beloved Dorothy who is now in the Presence of Christ our Lord. Truly, Dorothy let her life shine for Christ from the time the Lord saved her.

Although we attended UBC, SRHS, and studied the Bible together in our home for several years, my fondest memories of her were her love for the Lord and the Word of God. She believed in searching the Scriptures until she found the biblical answer she was looking for. Even today, our daughter vividly recalls how inquisitive Dorothy was about the Bible. Years after I had discontinued teaching the business and professional Bible Study here on Saturday afternoons, she would call me with questions, and she was always content as long as we found the Bible chapter and verse.

The Glover Family and the Walker Family were always dear friends. Both of us had large families. All of us attended the same schools and the same church during our childhood. Her Mom was the best cook in town, and she always was delighted to welcome us at their Sunday dinner table. Oh, how I loved her collard greens and rice!

So, dear Family, please know that our Lord is Sovereign over every detail of our lives. He knows how much you love Dorothy, and you know how much she loved you. So, cherish the fondest memories of her.

Even during your tearful moments, I pray that you will know that you can pray to the Lord for His comfort and peace of mind, knowing that Dorothy is now with Christ, her Lord and Savior. She was a praying person, and I believe that she has prayed that her unsaved relatives would repent of their sins and believe in the Lord Jesus to save them and give them eternal life. In our Bible Study Class, this was always our Prayer because all the ladies had many unsaved relatives: Dear Lord, please save our Family. In the Name of Jesus, we pray. Amen.
