“ My dearest Sister in law your were the sweetest. It so hard coming in to a large family and you dont always know how you will be recieved, but from the first day I met you, you showed me love and kindness and I wont ever forget that. We are in a different season and can not come together as we like, but Lord know our heart is there with you and the family in New Jersey. Hug my brother in law for me, as he welcome you. Love you always Mattie
