

## Edward Ford Jenkins

May 24, 1956 - January 26, 2026

### Life Reflection

Edward Ford Jenkins, also known as "Chippy", was born May 24, 1956 in New Brunswick, New Jersey, to Mayola A. Jenkins and Edward F. Jenkins. Eddie lived in Highland Park for 65 years of his life and spent his last 4 years in Somerset with his grandson.

Eddie was a Produce Clerk for Stop & Shop from 2000-2025. Over those years, Eddie was able to build a strong relationship in the community with his customers and co-workers.

To his daughter and grandchildren, he made sure to create a loving and safe home, with his great sense of humor and laugh. He always advocated for the importance of family and had a huge heart and personality. He loved collecting drag racing cars and building railroad train displays. Most importantly, spending time with his family.

Eddie leaves treasured memories to his family: Tyisha Juste (daughter); Amaree Saint Juste (grand-daughter), Jaden Saint Juste (grandson), Zoey Saint Juste (grand-daughter), Lailah Saint Juste (grand-daughter) and the family dog, Lumpy.

“ *The news of Mr. Jenkins' passing has hit our hearts HARD. I can so easily call to mind even at this very moment that smile of his -- so big and bright -- that shined every time he talked about his grandkids. He LOVED his family and he worked hard every day for them. One of the last times I had the privilege of sharing stories with him, Mr. Jenkins was telling me about the new dog his grandson had brought home. And though he was "complaining" about that dog, he was smiling that big smile with all the love for his grandson behind it. What an honor it was for me to have all the time I did to hear his stories and to experience that love and pride for his family. To all his family and friends, please know you are in our prayers and we are hugging you tightly right now.*

*Love, The Gonzalez Family (especially Nikki and Sebastian)*

“ The Sharp family sends their heartfelt condolences to the Jenkins family. We grew up in HP and South 7th Avenue WAS the spot to see each other. Edward or as we called him "Chippy" was the kindest, loving, hysterical person on the block. When he called you "his friend", he meant every word. He looked out for ALL of his friends and family. When he worked at Stop n Shop in HP, he worked with my daughter, and he was "Uncle Chippy" to her. He looked out and made sure she was alright, and when she wasn't, he MADE IT alright. He had a smile that made your dim days brighter. You will be sorely missed my friend. You're now in heaven with the rest of HP's finest. Save us a seat, we'll be there later in life. We love you and we'll miss you. xoxo

“ I had the privilege of knowing and working along side Eddie for several years. Just knowing that he would be there at work made my day that much better. I can't look at or even think about model trains without thinking about him.  
People tend to say, "Well that's time I'll never get back".  
With Eddie, any time spent with him was always well worth it. His smile and laugh were so infectious one could not help but feel good just talking to him.  
He was a good man and I will miss him till the end of my days.

“ *Eddie was one of the greatest people I've ever met. Every time you saw Eddie walk into work, you knew it was going to be a good day. Eddie always pushed me to live life to the fullest, and I'll always cherish that. I'll always miss the days we worked together, and it still doesn't feel real that you're gone. I will miss you forever, Eddie.*
