“ *Uncle Eddie we were so heartbroken  when we learned of your passing. I'm glad we got to see you and spend time with the family before you passed. I'll forever keep you in my memories of all the good times we had. Love you and miss you much. Rest in heavenly peace. You niece Georgene*

“ *Heart broken is an understatement. I expected my cousin to be here when I'm gone. Eddie has always been full of surprises: he just couldn't wait. I think he smelled the roses. Now, my cuz is happy and where I long to be; resting on the other side of the Golden Gate. I hope that when I get there we will reside on the same street. Then we can smile and sing a few more precious songs unto the Lord. Now, get some rest!*
