“ I was incredibly saddened to hear about the passing of Elaine. I first met Elaine when we both started together at Docusafe and immediately connected and each kept each other laughing and getting through the workday. She was like a second mother, was the first to hear about me meeting my future wife, and eventually attended my wedding and was the life of the dancefloor! She was such a kind soul, great office buddy and amazing friend. She will be very deeply missed by so many.
