“ *Happy first birthday in Heaven, my little Angel face. I know you're up there with your father and your sister you loved and missed so much while u were still here with us. As heartbroken as I am that I can't sing to you and watch you blow out your candles, I am happy for you. With all my love for all my life,

“ *It's been weeks now and I still cannot accept that you are no longer here. You made me feel happy, safe, and loved every day. I cant express what it feels like to wake up every morning and not hear your voice and to lay alone at night wishing you could still tell me you love me. Eddie, you are the love of my life and I will still be yours until the day we meet again in heaven. Xoxo Sandra Dee*

“ *Although I will not be there for the service. Please know I send my deepest condolences to Miss Dee, DeAndre and the entire Smith family. Our families were friends and my brother and Eddie were like brothers. Fond memories of the two. God bless.
