

Francisco R. Martinez Holsey

August 18, 1985 - June 7, 2022

Frankie was a fun loving individual who was well known by many. A devoted son, brother and friend. Respected and loved by his family, friends and community. He was a man of few words to many and a man of many words to few. He enjoyed taking walks, drinking Pepsi, watching soaps and scary movies. He enjoyed a good fried pork chop with gravy or his baby sisters Curry dishes and love the phrase “ I know that’s right” He will be missed by many. Gone but never forgotten. We love you Frankie.

Left to cherish his memory are his Parents, Janet Holsey and “Berto” Martinez, 8 siblings, Julio Martinez, Rafael Martinez, Aede Martinez, Gisela Martinez, Marissa Martinez, Janai Martinez, Celine Martinez, Natalie Pyles and a host of aunts, uncles, nieces and nephews.

Funeral services for Francisco R Martinez-Holsey of North Brunswick, NJ, were held Friday at Anderson Funeral Service, New Brunswick.
