“ I remember whenever Lorene would call and say that she, Mommy, Terrance, and other family members were coming to Atlanta. I would quickly find a babysitter and rush to wherever they were residing for the weekend. Feeling all the warmth, love, and laughter with Lorene, Mommy and the family. It became obvious to them, there was no getting rid of me until their departure. I would stow away at the hotel like I was supposed to be there too. 😊 Carol
