“ *Mom, its summer. We used to walk with you in the mornings, and go to the playground with the picnic you packed for the kids. We will miss the simple things, like sitting in your garden on the chairs you lovingly bought for the kids, drinking ginger ale and watching Aydin and Kayla play basketball. We will miss you picking out giant cucumbers from the garden (you grew the vegetables yourself!) and then making us the most delicious salads. Love and miss you mom. Every day.*
