“ *The Miller Family Reunion saluted Harry in 2012, for serving our country so that we can endure life, liberty and freedom in the United States. We presented a United States flag to Harry and a Military cap. We were so proud of Harry and he was so happy on that special day.*

He was a strong and intelligent person who remembered a lot of information especially dates and years of family members.

We love Harry forever.

May God Be With You Always.
