“ Hattie was a very loving and generous person. She shared her most precious gift with me, Lawrence. She would let him come down to Alabama and Chattanooga and spend summers with us. Hattie always had a hug and a smile whenever you saw her. She will be missed. I loved her and the entire family.

“ Lawrence & Family,

May God continue to bless you as your memories comfort you. Hattie was a gift to you and so many others. And I vividly remember what a tremendous and welcomed gift you were to her and Johnnie.

Please be comforted in that once she took her last breath, that the very next one was in the presence of God! Like the adage that we use to repeat in church on Sundays, "there ain't no party like a Holy Ghost party" with the angels -- what a party they are all having now!

Be blessed, Julia Walker & Carrie Terrell
