“ *Fiifi-Tei-Tei.*

I have known Henry as someone with a kind and a gentle spirit. Each time we bump into each other, his warm and respectful reception knits myself to him. Henry will be greatly missed, my family and I wish his soul to rest in peace until we all meet again.

“ *Henry was a kind hearted and devoted father who like to do the work of God. You have been taken from us too soon. Leaving your wife and three beautiful young girls. I pray that the Lord will continue to protect your family. May your soul rest in perfect peace. You will always be missed.*

Love from Nana Boateng's family.

Mr. Henry Tetteh, a loving father who never dreamt of leaving his family behind. This was the dream of our brother Henry. But God knows best. His name is the alpha and the omega. He knows the beginning to the end. God loves you so much. He didn't want you to live in pain. Our prayer is to leave your children and your wife in the hands of the Lord. To God be the glory. May your soul rest in perfect peace.
