“ *Herb my brother this is heartwrenching!! Especially when I'm just finding out you transitioned into the ancestral realm. The positive conversations and the brotherly relationship that we've had will be greatly missed. You were always trying to help someone and give a positive outlook on a not so good situation. To the family, my deepest sincere condolences. Peace be upon my brother Herb!! Peace and comfort to the family.*

“ *Herb and I grew close when we both shared our experiences about losing our older brothers. From that conversation, Herb became my big, little bro. Wishing him a peaceful journey.*

“ My dear brother, oh how you’ll be missed! My heart was in anguish when I heard the newest that you were in a coma and it broke when I found out you weren’t coming back. Although this was a shock for all of us, that wasn’t the case for God. He knew the exact day, hour and moment you would go home to be with him. 🙏 Not being able to be by your side due to the pandemic we’re in made things very difficult for me. But I know God was with you. You were indeed a force to be reckoned with, leaving your love stain on all who came in contact with you. Although I was older than you, only by a few months, you let me know that you were my big brother! Your love ❤️, which was unconditional and true is what I’ll remember most. I still see your smile and remember your voice the last time we spoke. It didn’t matter how long in between we talked, our love for each other never faded away. I will miss you so much but glad you’re no longer suffering. You were a great man, you accomplished much, taught us somethings, and left a lasting impression. Rest well bro and rejoice. I love you ❤️

Your sister,
Kim Currie

“ Herb was a treasured part of our class, and we will never forget him. He was so open about sharing his life’s journey to guide the younger students with his experience and knowledge. What a gifted and motivational speaker he was!
We had the gift of Herb’s presence at 9:30 AM daily since 2017, and seeing his empty seat will break our hearts. We are so glad we were able to know him, appreciate him, and share in the joy of his academic accomplishments. Rest In eternal peace Herb.

Lynn Alvarez has said it all Herb was an inspirational speaker who spoke from the heart. He was always there to encourage his fellow students to reach for their dreams and never give up. His loss is a shock to us. He is sorely missed.
