“ *I'm so heartbroken. I know death is a part of life, I get it. Mrs. Porter changed my life. She molded me into a young woman. She believed in me. She was intentional with me. I'll never forget her taking me to Red Lobster and just talking to me, teaching me outside the classroom. She was truly special. There was a life lesson in everything she said. I can hear her now "... when you're 25 & MARRIED not a second sooner". Man! I love you Mrs Porter. I will NEVER forget you. I pray for the family. This is an astronomical blow. Forever my favorite teacher 🌸 - Ms. Copeland*
