My rememory of Chubby, is that we grew up all together close as though we were family our parents was very close friends just like family... Chubby had a good heart ❤️ he was always supportive of any thing you had going on he was there... mostly for me I enjoyed talking to Chubby from time to time he had a beautiful and kind spirit loved to talk about the good Ole times... He had a photographic memory so we would talk and laugh about old times, we were having so much fun enjoying each other phone conversation. He loaded his legs over the years but he share all the time about when he get his legs he was going to walk around everywhere I would encourage him to make him feel good! I'm truly gonna miss Chubby the good times and things we shared together. Love you ❤️❤️RIP Chubby 😭😭
