ML

“ Jean was my neighbor and my friend. When she moved back to Mississippi we continued to talk to one another and when my son passed, she called every week for a long time. She was devoted in her faith and remained steadfast. She had a joyous spirit even though she couldn't walk, write and her hearing was almost gone. I never heard her complaining and she never gave up. I will miss you dearly Jean and i'm so glad for our time knowing one another. I've lost a very dear friend but God has gained an angel!

“ Aunt Jean has been a pillar of strength, love, joy, and Boldness for this family. She kept us laughing here in Mississippi with her joyful Spirit. She loved the Lord and she always spoke to us about always keeping God first and keeping our hands in his hands letting Him lead and guide us. She always told us when we fall He will be right there to pick us up. Aunt Jean your Mississippi family loves you and will always cherish the memories God allowed us to have with you. Love The Marshall & Walker Family.

“ Jean was a wonderful friend. She worked for us for many years, keeping our house in order. Our kids, Chrissy and Scot, loved her and we felt like she was part of our family. Jean loved to share about her family and her faith. And I know she is now rejoicing in heaven!  
With our love and prayers for her family, that you will find comfort in special memories,  
Debby and Bob Hopps and family
