“ *I so enjoyed a full day of fishing with this lady and my brother Joe. We drove out to the middle of no where to a small stream that my brother swore there was brook trout. If that old car had broken down it would have taken a good days walk to get home. The Brooke couldn't have been more than 2 feet wide. We sat on the bank and first for hours and the only thing I caught was a great day with wonderful person that will be truly missed.*
