“ Uncle John. I will miss you so. Thanks for the time you took to visit me. To call me and check on me. To let me cry and hold me when my dad died. And I said I dont have a dad anymore and you said I am here for you. And you again listened to me crying on New Years eve. When I said I miss my mom so much, and you said I know the feeling. We worked together at Union Carbide/ Amoco and I said "Uncle John I was late today" And you said " Make sure you leave on time. You don't want to be late twice in one day." 😭😭. I will always remember the times we just sat and talked and Laughed and Laughed and Laughed. Uncle John. You showed us all Love and I have way to many memories to mention. But they were all great. Great memories made by a Great Man. Till we Hug and laugh again, because I will still talk to you. Tell my parents and Aunt Pat. I love them. Job Well Done Uncle John. I know Father God said Welcome Home.
