“ *Dear Cynthia,*

Your Mom passing away has hurt my heart. Please know you and your family are in my thoughts. While words fail to capture the pain of losing a loved one, I look forward to the time when words will fail to capture the joy of having our heavenly Father return your dear Mom to you.”

*Your work friend,
Shawn*

To the family, we were neighbors for many many years. Julia and I worked together at Cleveland Container for many years. She was my mom (Recie) dear friend until God called her home. Julia was a very special lady, she always had that beautiful smile on her face. I saw her last month, I will always remember the last thing she said to me, "the next time you come back I will fix dinner for you ". Sweet lady you are sitting at the best table there is, God's table, surrounded by God and all his angels. Take your well deserved rest now in his loving arms. Until we meet again in his time.
