“ *I just adored this whole family so much. I walk into the home and it was filled with so much love and care for each other. Ka-el taught me to to be patient, to slow down, and to get real creative with finding ways to motivate him during each session. When he crawled right up to me and wanted to hug me one session, I was so honored. Ka-el, you will be greatly missed. Will miss your screams of delight and your arms and legs moving in excitement when you are swung In the blanket, when we head to the park, when Barney gets put on, or when you are rolled on your back on the yoga ball.*

*Sending big big hugs and prayers to the family, especially Tamara and Jason, Zuri, Zaire, and Nurse Judy.*
