“ *I had the pleasure of working with Keith at both BMS and Syneos Health. Keith was a fantastic team mate and had a gift for seeing problems before they manifested and would always sound the alarm. More importantly though, what I remember most are the conversations we would have about family, the world around us and life in general. I will miss hearing Keith say "Good Morning, good sir" with the accompanying twinkle in his eye. Keith was a good man and a good human being and he will truly be missed.*
