

Keith Earl Burris

June 24, 1961 - August 18, 2022

Keith Earl Burris of Pennsylvania transitioned from this life on August 18, 2022, at home. Affectionately called “Keiffy” by his sister, and “buddy” by his friends, Keith was born on June 24, 1961, in Trenton, New Jersey. He was the son of John and the late Marilyn Joyce Burris.

Keith graduated from Notre Dame High and Penn State. During his school years, he was active in the marching band where he played the clarinet. He also participated in several of the school plays. He was a member of Alpha Phi Alpha Fraternity Incorporated.

Keith was employed at Retail Business Service in Carlisle Pennsylvania as Administrator of Collections.

Raised in a Christian home, Keith grew up at Holy Trinity Church of God in Christ, now Courtney Temple under the late Bishop Esau Courtney, Sr. before moving to College Park Pennsylvania. During that time, he participated in the children’s, young adult, and jurisdiction choirs. He was also a part of the church’s band.

In his leisure time he loved to read and was a big fan of the Flintstones and the Steelers. He enjoyed eating, cooking and wasn’t afraid to experiment with new dishes. Although very quiet he had a sense of humor. He was teased by family and friends for still using a flip phone. He would say they were making a comeback, so he was still in style. He was personable, always willing to lend a helping hand and loved his family and friends dearly.

He leaves to celebrate and cherish his memories his father John E. Burris, his

loving sister Karen E. Burris, Godbrother Jamar Sanderson and family, aunts Delores Murray, Bernice Murray, Ellen Banks and Lizzie Thompson and a host of cousins, friends and the church family.

To God be the glory for the things He has done!

“ *Condolences to your family. I hired Keith many years ago as his first job with AFS/RBS. Keith was exactly the same person as described in his obituary. An excellent worker, quiet, yet had a great sense of humor. He did like to cook and would tell me about how he would add some of this and some of that to the food he would make. We'd also spend some time talking about Steelers football games. Fast forward many years, it saddens me to hear of Keith's passing. Many blessings to your family.*
